HACKDARTMOUTH

◀ 2015 ▶

Thank you so much for agreeing to be a HackDartmouth mentor! The experiences you can share, whether in industry or academia, are a valuable part of each student's learning experience. Your guidance and encouragement inspires students to try new things, take on challenging projects, and ultimately realize their potential.

HackDartmouth 2015 will start at 11:00 AM on Saturday, April 11, and end at 2:30 PM on Sunday, April 12. It will be hosted at the Thayer School of Engineering on the Dartmouth College campus in Hanover, NH. The opening and closing ceremonies will be held at Cook Auditorium, which is adjacent to the Thayer School.

If you will be flying in, we recommend arriving in Hanover on Friday, April 10. When planning your trip, consider flights to Boston Logan airport, from where the Dartmouth Coach bus can take you to the Dartmouth College campus.

If you are driving to Hanover, please plan on arriving on campus by 10:30 am on Saturday. We will be signing in mentors at the Thayer School.

### **IF I'M DRIVING, WHERE SHOULD I PARK?**

If you'll be driving to Dartmouth, there will be parking available in Cummings Lot just to the south of the Thayer School.

### **WHERE SHOULD I STAY?**

You can stay at a number of hotels in Hanover and nearby towns. Dartmouth College recommends a number of hotels to visitors of the university.

We will also have designated spaces for sleeping during the event. You're welcome to bring a sleeping bag and get snug with the hackers.

### **WHAT SHOULD I BRING?**

We will provide a table for each sponsor, so please bring any materials you'd like to set up (e.g., tablecloths, pamphlets) and your company swag to hand out. Bring any relevant hardware or products for students to hack on.

### **WHAT SHOULD I WEAR?**

The event will be very casual, but we recommend a company tee or jacket so that participants can spot you more easily.
